

**Sinnesorgan**

```
graph LR; A[Sinnesorgan] --> B[Gehirn]; B --> C[Red Box]
```

A flowchart illustrating a process flow. It starts with a white rectangular box containing the text 'Sinnesorgan'. A thick black arrow points from this box to a second white rectangular box containing the text 'Gehirn'. Another thick black arrow points from the 'Gehirn' box to a solid red rectangular box.

**Gehirn**
